## **BELLARINE PENINSULA AND PORT PHILLIP BAY RAMSAR SITE BOUNDARIES REVIEW**

The Association is very supportive of all the proposed 11 new Ramsar site boundaries described in DELWP's consultation program as being located at: Northern Bay, around Geelong, the coast southeast of Geelong and the Bellarine Peninsula.

We believe the new site boundaries proposed for the Bellarine Peninsula will dovetail with the upcoming Bellarine Distinctive Areas and Landscapes SPP soon to be considered by the Victorian Planning Minister and the City of Greater Geelong's Southeast Bellarine Project.

Like other submitters we would like to see appropriate buffer zones restricting urban development, noise and light adjacent to the Ramsar Boundaries be considered and be included in the relevant local government Planning Schemes.

Yours Sincerely – David Kenwood

PLCA President - on behalf on Members.
