THE SPRINGS BIKE PARK CONCEPT PLANS

In relation to the Borough's recently released Bike Park Concept Plans, The Association would like to ask the following:

1. What are the next steps in the process after the user's workshop takes place?
2. Will the broader community have an input into design/layout and the overall planning approvals process?
3. Will the CoGG be approached for a contribution to the project, given their ratepayer's children will also use the park?

Yours sincerely

David Kenwood – on behalf of Committee & members
