## **2023 – 2024 COUNCIL BUDGET PROCESS – PRIORITY LIST PLCA SUBMISSION**

In response to Council's invitation to become involved in the upcoming budget process the Association submits the following priority list on behalf of its members.

1. Point Lonsdale Lighthouse House Reserve - now started and needs to be completed after some 15 years of waiting for something to happen. This includes roadworks and parking upgrades.
2. Parking at Nelson Road behind BCH - long standing issue. This is one spot where nearly all the community visit, and would see an upgrade that is positive and tangible – not to mention our health care professionals/visitors can park out of the mud after rain!
3. Bike Park project in the Narrows next to the Skate Park - As we understand it this is a priority project for Council but unfunded.
4. Kirk Rd Roundabout/Kirk rd traffic calming.
5. Toilet for Lawrence Rd car park (Springs).
6. Car parking improvements in front of Ganes Reserve. (Ocean Rd) and rear at Laker Drv, which extremely potholed and muddy when it rains.
7. Coastal and Marine Management Plan - after 2 years it needs to be completed given all the multi-million dollar projects happening along our coastline. It also needs to align with Southeast Bellarine CMMP now approved by CoGG and Barwon Coast CMMP.
8. Implementation of the Bellarine DAL and Statement of Planning Policy - As I understand it SPP support documents have implications for Point Lonsdale.

Thank you for the opportunity to provide feedback on this important issues.

Yours sincerely,

David Kenwood – on behalf of Committee & members
