KIRK ROAD ROUNDABOUT - POINT LONSDALE

The Association is concerned that this roundabout was constructed with little consultation with nearby residents and the PLCA.

In particular we have concerns with the aesthetics, the effectiveness of the roundabout and whether a better planned and thought out solution for Kirk Road may have been a better outcome for the community.

The Association would therefore like to ask the following questions:

1. How long is 'trial' planned for?
2. What is the long term future of the structure?
3. Is the current construction/layout of the roundabout the final one?

Yours sincerely,

David Kenwood – on behalf of Committee & members
