KIRK ROAD ROUNDABOUT - POINT LONSDALE COMMUNITY ENGAGEMENT

The Association still has concerns about this roundabout, which it seems was constructed with little consultation with nearby residents and the PLCA. We are still hearing anecdotally that there was no consultation from the outset and that some nearby residents have written complaint letters to Council.

The Association would therefore like to ask, as recently indicated by Council/CEO, when is the community engagement to begin for the trial roundabout?

Yours sincerely,

David Kenwood – on behalf of Committee & members
